

Museum of Ontario Archaeology

History In Your Hands

The Museum of Ontario Archaeology is looking for a candidate to fill a full time unpaid internship in Curatorial/ Exhibition Design;

One placement for the Summer 2018 term is available. You will;

- Assist in the research and creation of our upcoming in house and online exhibitions
- Assist in redeveloping/ designing new didactics for permanent display
- Learn how to use and assist visitors with Virtual Reality Programs at the museum using the HTC Vive
- Assist in the development and design of both exhibition and marketing materials
- Research and create website and social media content
- Help develop and participate in Museum outreach events
- Update and maintain collection catalogue records with Pastperfect

You will Learn:

- Proper research strategies for both exhibit design and event planning
- New technologies in the Museum field and how to implement them
- In-house and online exhibit design
- Collection Management and professional object photography

Why Should I Intern at MOA?

You will be joining a dynamic and dedicated team while working hands- on as a professional in your field with opportunities to broaden your experience and work with new and innovative technologies in a museum environment. Through MOA you will;

- Learn more about Ontario's archaeology, cultural diversity, and history
- Gain practical experience in the application of innovative museum technologies such as projection, augmented reality, and 3D imaging
- Develop a network of contacts with professionals and volunteers who share similar interests

Applicants **must have** a knowledge of and an interest in Ontario archaeology/heritage. Applicant should also be creative, organized, detail oriented, and have a passion for the museum field. Interested applicants must submit a resume and cover to Nicole Aszalos, Curator, at nicole@archaeologymuseum.ca
