The Museum of Ontario Archaeology is happy to offer Cooperative Education opportunities to London and Area Secondary students.

**POSITION: EDUCATION ASSISTANT**

Education Assistants will learn about Archaeology, Ontario’s history and its Peoples. They will then learn how to deliver this share and educate others through the delivery of curriculum focused school programs, public tours, and family programs. The student will also have the opportunity to work with MOA’s Virtual Reality Longhouse.

**IDEAL OPPORTUNITY FOR STUDENTS INTERESTED IN:**

- History
- Archaeology/Anthropology
- First Nations Studies
- Education
- Not for profit

**STUDENTS WILL DEVELOP SKILLS IN:**

- Customer service
- Public Speaking
- Program development and delivery

**KEY TASKS WILL INCLUDE:**

- Providing exceptional customer service by delivering quality programming.
- Engaging visitors by sharing the museum’s stories through hands-on activities, demonstrations, and tours.
- Engaging children by delivering curriculum focused programs in a fun and welcoming atmosphere.
- Ensuring public and classroom areas are clean and gallery activities are well maintained.
