

Museum of Ontario Archaeology *History In Your Hands*

The Museum of Ontario Archaeology is looking for a candidate to fill a full-time unpaid internship in Museum Education and Programming;

Two placements are available. You will;

- Assist in the development and delivery of children's programs
- Deliver curriculum based education programming to school groups
- Deliver education programming to community groups, including scouting, brownies, ESL programs, adults, and seniors.
- Assist with the development, marketing, training, and delivery of summer camp and other museum programming
- Assist with Welcome Desk when needed
- Develop and conduct outreach initiatives
- Learn how to use and give tours with Virtual Reality at the museum using the HTC Vive system

You will Learn:

- How to develop specialized educational and participatory programming for audiences of different ages and needs, both curriculum based and for the general public
- Public Speaking/presentation skills
- Programming Evaluation
- Training in current museum and museum education practices

Why Should I Intern at MOA?

You will be joining a dynamic and dedicated team, working hands-on as a professional with others in your field, with opportunities to broaden your experience with museum education, public programming, and innovative technologies. Through MOA, you will;

- Learn more about Ontario's archaeology, cultural diversity, history, and how these topics are delivered in Ontario's educational curriculum
- Strengthen your teaching and communication skills
- Develop a network of contacts with professionals and volunteers who share similar interests
- Gain a unique hands on experience that nurtures and develops your skills for further job development

Applicants should have a knowledge of and an interest in Ontario archaeology/heritage. Previous experience working with children is an asset. Applicant should also be organized, flexible, detail oriented, creative, and have a passion for the museum field. Interested applicants must submit a resume and cover letter to Katie Urban, Learning Coordinator at Katie@archaeologymuseum.ca
